GUIDELINES

A. Description

The Center for the Humanities and the Public Sphere (CHPS), with the support of the Tedder Family Endowed Research Award in the Humanities and the Robert and Margaret Rothman Endowment in the Humanities, offers fellowships for UF doctoral candidates working on humanities dissertations. This fellowship may be used to cover research expenses, including but not limited to research-related travel. Successful applicants will be called Tedder Family or Rothman Doctoral Fellows in the Humanities.

The Tedder Family and Rothman Doctoral Fellowships in the Humanities will be awarded to the awardee's degree-granting department as a lump-sum payment of \$3,000 to be used in Summer or Fall 2024 or Spring 2025 in the form of reimbursement for travel, research expenses. Taxes and fringe will be deducted in cases where the funds are awarded as salary, and CHPS will coordinate with the awardee's home department.

B. Eligibility

UF doctoral candidates working on humanities topics who have passed their qualifying exams and advanced to candidacy by the application deadline are eligible. CHPS uses a [definition of the humanities adapted from the National Foundation on the Arts and the Humanities Act of 1965](#) as the basis for determining the eligibility of proposed projects. Tedder Family or Rothman Doctoral Fellows are not eligible to apply again in subsequent years.

C. Activities

Fellowships may be used towards research and research-related travel costs. Travel exclusively for conferences will not be funded. Travel funds are subject to the travel regulations for the University of Florida and the respective College. Those students who are unable to travel to their research site or to purchase other resources may apply for the award to be paid as salary. This award does not provide a graduate assistantship or a tuition waiver.

D. Deliverables

In order to continue to be eligible for funding from CHPS, Tedder Family and Rothman Doctoral Fellows are required to:

- Write a brief summary report of their research by April 1, 2025
- Apply to an external grant (including postdoctoral fellowships) and confirm submission (via email or in report) by April 1, 2025
